## 2023-2024 Academic Year

Presto Assistant provides a web-based tool to help fine arts administrators and teachers organize inventory, uniforms, library items, finances, and communication with parents and students in a modern and secure way.

Presto Assistant supports the following types of organizations:

- Band, Choir, Dance, Guitar, Mariachi, Orchestra, Theater

### Standard License

**\$299.00 per organization\* per year**

The Standard License will serve the grades that exist for the type of campus. For instance, a middle school organization will be able to enter information for students in grades 5-8, while a high school organization will be able to enter grades 8-12.

### Expanded License

**\$399.00 per organization\* per year**

The Expanded License will serve grades K-12 for the specified organization type. For instance, a choir organization can expand their student rosters to include grades k-12.

Any order that includes 25 or more licenses purchased together will receive a \$50.00 discount per license.

\* An organization is defined as one school entity type on one campus. For example, a high school band and a high school choir are each one separate organization.
